Lee Caudill

Web Developer.
Aurora

Summary

I am currently studying web development through the Odin project and Udemy. I am looking for a web development job or internship in the Denver area, or a remote work position.

Previously I have worked as a box-truck route driver at Ferguson Facility Supply from 2018 to 2021, and Caruso Logistics from 2014 to 2018. Before that I have 5 years of experience as a concrete construction general laborer.
